DECISION ON THE PAPERS

This is an application by Kereone Rugby & Sports Club Incorporated for renewal of their club licence in respect of a premises situated at 355 Thames Street Morrinsville, known as the Kereone Rugby and Sports Club. The general nature of the premises is that of a sports club.

The application was filed on 24 December 2021, therefore the criteria under s.131 of the Sale and Supply of Alcohol Act 2012 will apply.

The application was advertised in accordance with the Act, in the Morrinsville News on 10 February 2022. No objections were received.

The days and hours of operation set out in the application are:

Monday, Tuesday and Thursday from 6.00 pm until 10.00 pm
Wednesday and Friday 5.00 pm until 12.00 midnight
Saturday 10.00 am until 1.00 am the following day
Sunday 12.00 noon until 7.00 pm

Section 37 (2)(b) of the Sale and Supply of Alcohol Regulations 2013 relates to the manner of publication of public notice of applications for renewals of licences for premises or conveyance in very low-risk or low-risk fees category if published in a newspaper, one publication is sufficient.

These are the hours permitted under the Club's existing licence and these hours comply with the requirements of the Council's provisional Local Alcohol Policy as it applies to this type of premises.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly, the application is determined on the papers.

The applicant, in accordance with s.212 of the Act, has named four managers with a current certificate to manage the sale of alcohol from the premises.

In deciding whether to renew a licence the committee must have regard to the matters set out in s.105 and 131 of the Act. These are:

Section 105

- (a) *the object of this Act:*
- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*
- (d) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- (e) *the design and layout of any proposed premises:*
- (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
- (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
- (h) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
- (i) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

Section 131

- (a) *whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:*
- (b) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made by virtue of section 129:*
- (c) *the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers the Kereone Rugby & Sports Club to be a suitable body to hold a club licence. He has also noted that in his opinion the amenity and good order of the locality would be unlikely to be increased by more than a minor extent by the effects of a refusal to renew the licence.

I am satisfied as to those matters to which I must have regard and grant the renewal of the club licence for a further three years.

The renewal certificate can be issued immediately.

The licence is subject to the following conditions:
