1. Introduction and overview

1.1 Background

- 1.1.1 A Local Alcohol Policy (LAP) is a set of policy criteria and decisions made by a Council in consultation with its community about the sale and supply of alcohol in its geographical area.
- 1.1.2 A LAP provides the District Licensing Committee with a policy framework when making decisions on licence applications, which they must 'have regard to' when making decisions on licence applications. It allows the District Licensing Committee to meet the object of the Sale and Supply of Alcohol Act 2012 (the Act) which states that the "sale, supply, and consumption of alcohol should be undertaken safely and responsibly; and the harm caused by the excessive or inappropriate consumption of alcohol should be minimised".
- 1.1.3 Nothing in this LAP overrides any other statutory right or obligation of any applicant, licensee or the Council under the Sale and Supply of Alcohol Act 2012 and regulations.

1.2 LAP goals

- 1.2.1 The goals of the LAP are to:
 - a) contribute to Matamata-Piako being a safe and healthy district
 - b) reflect our local community's character and amenity, values, preferences and needs
 - c) encourage licensed environments that foster positive and responsible drinking behaviour
 - d) minimise alcohol related harm in Matamata-Piako.

1.3 LAP objectives

- 1.3.1 The objectives of the LAP are to:
 - a) regulate the trading hours of club, on and off-licences
 - b) regulate the location of licensed premises
 - c) ensure licensed premises take appropriate measures to minimise alcohol harm
 - d) provide clear guidance to the District Licensing Committee.

1.4 Partnership principles

- 1.4.1 Council recognises that to achieve a reduction in alcohol abuse there needs to be a multifaceted and organisational response. This includes all stakeholders such as licensees, their patrons, the agencies recognised as having statutory reporting responsibilities, government and non-government agencies, and the general community in the district.
- 1.4.2 The Matamata-Piako District Council has involved the Police, Medical Officer of Health and Licensing Inspectors in the preliminary development of a draft LAP. The Matamata-Piako District Council has also engaged with the District's community and various stakeholders to provide for their involvement in the policy development process.

2. When this LAP is applicable

2.1 When this LAP comes into force

- 2.1.1 This LAP comes into force on the day stated by Council resolution. Maximum trading hours come into force three months after the day on which public notice of the LAP adoption is given, and apply to both existing premises and premises not currently holding a licence.

2.2 Licence applications

- 2.2.1 All policy criteria included in this LAP, in the appropriate section for on, off, club and special licences apply to licence applications for premises not currently holding a licence unless stated otherwise.
- 2.2.2 Pursuant to section 108 of the Act, the District Licensing Committee may refuse a licence if in its opinion, the issue of the licence, or consequences of the issue of the licence, would be inconsistent with the LAP.

2.3 Renewal of licences

- 2.3.1 Pursuant to section 133 of the Act, the District Licensing Committee cannot take into account any inconsistency between a relevant LAP and the renewal of a licence or the consequences of its renewal.
- 2.3.2 The District Licensing Committee may however impose particular conditions on any licence it renews if there is a relevant LAP, and it considers that the renewal of the licence or the consequences of the renewal of the licence, without those conditions imposed on it would be inconsistent with the LAP.

2.4 Issue of second licence for premises already licensed

- 2.4.1 Pursuant to section 25 of the Act a licence of one kind can be issued for a premises, or for part of a premises, for which a licence of another kind is (or licences of other kinds are) already held.
- 2.4.2 However, there are exceptions to the above. Pursuant to section 29 of the Act a club cannot hold an on-licence. A club is also not able to hold an off-licence unless it has continuously held an off-licence since before the commencement of the Act. These sections override section 25 as cited above, and section 28(1) of the Act which outlines who can hold an on, off and special licences.
- 2.4.3 Pursuant to section 36 of the Act off-licences cannot be held for petrol stations, certain garages, dairies, convenience stores, conveyances, or shops within shops.

2.5 Special licences

- 2.5.1 Pursuant to section 41 of the Act a special licence must not be issued in circumstances where (in the opinion of the District Licensing Committee concerned) it would have been more appropriate for the applicant to apply for an on-licence, off-licence or club licence; or the variation of an existing on-licence, off-licence or club licence.

2.5.2 Any LAP policy criteria relating to the location of licensed premises and the further issuing of particular licences in the district do not apply to special licences.

- 3.4.1 There are no policies for on-licensed premises locations by reference to proximity to facilities of a particular kind or kinds.

3.5 Further issuing of on-licences in the district

- 3.6.3 The District Licensing Committee has discretion to set the permitted trading hours as more restrictive than the maximum trading hours in the LAP.

- 4.1.2 This section of the LAP does not apply to premises for which a remote-sale off-licence is held or for auctioneers.

4.2 Location of premises holding off-licences by reference to broad areas

- 4.2.1 Licences for premises not currently licensed (excluding remote sellers endorsed pursuant to section 40 of the Act) should be limited to the Business Zone² under the Matamata-Piako District Plan unless authorised elsewhere by resource consent, and then subject to the following policies 4.3, 4.4, 4.5, 4.6, 4.7 in this section.
- 4.2.2 Council’s preference is for off-licensed premises to be located within the Business Zone. Where an application is made to locate outside of the Business Zone under the Matamata-Piako District Plan the applicant must demonstrate that regard has been given to the Crime Prevention through Environmental Design criteria, and operation of the premises will not impact upon the amenity and good order of the neighbourhood.

period prior to the date of application, when considering a licence application in respect of any premises not currently holding an off-licence the boundary of the application site shall be a minimum of 50 metres from the closest boundary of any primary or secondary school, early childhood education centre, place of worship or Council administered playground existing at the time the application is made, unless it can be demonstrated to the reasonable satisfaction of the District Licensing Committee that the hours, signage or operation of the premises as they relate to alcohol sales will not have a material impact on those facilities and/or persons using those facilities.

- 4.4.2 Renewal of a licence shall be unaffected should a school, early childcare facility, or place of worship later move to a site which borders an existing licensed premises.
- 4.4.3 Other than for premises in the Business Zone under the Matamata-Piako District Plan or in circumstances where the premises has held an off-licence during the 60 day period prior to the date of application, when considering a licence application in respect of any premises not currently holding an off-licence, the District Licensing Committee shall have regard to the proximity to any public park, car park or reserve within a 50 metre radius (measured from the main façade of the premises, being the principal front of a building that faces onto a street or open space), particularly where that public park, car park or reserve is within an alcohol control area prescribed by a bylaw, unless it can be demonstrated to the reasonable satisfaction of the District Licensing Committee that the hours, signage or operation of the premises as they relate to alcohol sales will not have a material impact on those facilities and/or persons using those facilities.

4.5 Further issuing of off-licences in the district

- 4.5.1 With regard to off-licences in the Matamata-Piako District there is a presumption that new licences will not be issued in the Matamata Ward, the Morrinsville Ward or the Te Aroha Ward, if, in the opinion of the District Licensing Committee, the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence.
- 4.5.2 The above policy 4.5.1 does not apply to licence applications for premises that are subject to an off-licence at the date of application or where the existing off-licensed business has to relocate.
