DECISION ON THE PAPERS

This is an application by United Matamata Sports Incorporated for a special licence in respect of their premises situated at 36 Tainui Street, Matamata known as the United Matamata Sports Club.

The application is made under section 137 of the Sale and Supply of Alcohol Act 2012 and is to allow an existing licensed Club to sell and supply alcohol to non-club members attending a function. The days and hours sought for the licence are:

These events are considered to be consistent with the Sale and Supply of Alcohol Act 2012, the Matamata-Piako District Council's Provisional Local Alcohol Policy and its current Liquor Licensing Policy.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

DISTRICT LICENSING MATAMATA - PIAKO COMMITTEE

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that the Club has held a number of special licence events in the past and that no issues have been raised in respect of those previous events. He has also noted that in his opinion the sale and supply of alcohol at these events will not reduce the amenity and good order of the locality by more than a minor extent.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence.

Certificated managers have been identified by the applicant to manage the sale and supply of alcohol at this event.

The licence will be subject to the following conditions.

a) Alcohol may only be sold under this licence on the following days and hours:

Brook Ngatis Birthday Party
Saturday 29 September 2018 from 6.00 pm until 1.00 am the following day

b) A manager, holding a current Manager's Certificate issued pursuant to the Sale and Supply of Alcohol Act 2012 shall be responsible for the sale of alcohol during these events.

c) The licensee shall have a reasonable range of food available for consumption on the premises at all times when alcohol may be sold under the licence. The food shall be of the range and types of food submitted with the application but must be no less substantial than snack foods in the nature of pies, sandwiches, filled rolls, pizza or the like. The availability of these foodstuffs shall be notified to patrons by appropriate notices throughout the premises.

d) The licensee shall have a reasonable range of low alcohol and non-alcoholic refreshments available for consumption on the premises at all times when alcohol may be sold under the licence.

e) The licensee shall ensure that drinking water will be made readily available to all attendees, free of charge.

f) The following steps shall be taken by the licensee to ensure that the provisions of the Act relating to the sale of alcohol to prohibited persons are observed:
   i) Display appropriate signs adjacent to every point of sale detailing the statutory restrictions on the sale of alcohol to minors and the complete prohibition of sales to intoxicated persons, and
   ii) Photo identification is required to be produced by the customer when staff are in doubt of their age
