Candidates

Q6 *I want to be a candidate in these elections. What do I need to do?*

- A** You must be a New Zealand citizen and your name must be on the Parliamentary Electoral Roll (anywhere in New Zealand). When lodging your nomination, you will need to provide proof of your citizenship (passport or certificate of naturalisation).

You will need to have two electors registered in the area of the election you are standing for to nominate you – e.g. if you stand for the Te Aroha Ward, the nominators will need to be registered within that ward. (Note the candidate does not need to reside in the area in which

he/she is standing, but will need to disclose that fact in his/her candidate profile statement).

The nominators must also be on the Parliamentary Electoral Roll at the address they are listed on the nomination paper (which must be in the area that they are nominating the person for).

Nominations open on Friday 19 July 2019. If you would like a nomination paper and candidate information handbook sent out, please contact the electoral office closer to this date. Nomination papers will also be available on Council's website (www.mpdc.govt.nz) from 19 July 2019, with the candidate information booklet available in May 2019.

Q7 How much will it cost me to stand?

A You will need to pay a nomination deposit of \$200 GST inclusive. This deposit applies to each issue (election) you stand for.

Your nomination deposit can be paid by cash, cheque, EPTPOS or electronic bank transfer. However, if you pay the deposit by cheque, and if it is dishonoured after nominations close, your nomination will not be accepted.

If you poll greater than 25% of the lowest polling successful candidate (for FPP elections) or more than 25% of the final quota as determined by the last iteration (for STV elections) you will receive your nomination deposit back.

Your nomination must be received by the close of nominations (12 noon on Friday 16 August 2019).

Q8 What qualifications and experience do I need?

A Nothing formal. Elected members come from all walks of life and generally have a will/desire to serve the community.

Q9 Does a criminal record affect a person standing as a Council candidate?

A No, not for the Matamata-Piako District Council elections. For the Waikato District Health Board election, a criminal record may affect your candidacy.

Q10 How long is the term of the elected member?

A Three years.

Q11 Do I need to be resident in the area I am standing for?

A No, but you must be on the Parliamentary Electoral Roll (anywhere in New Zealand) and be a New Zealand citizen. You will however need to disclose whether or not you reside in the area you are standing for in the candidate profile statement.

The two people who nominate you must be on the Parliamentary Electoral Roll within the area you are standing for.

Q12 How many positions can I stand for?

A You can stand for mayor, and a ward councillor, but if you are elected to both positions you will take up the highest ranked position (mayor).

You can also stand for the Waikato District Health Board, but you cannot stand for more than one district health board in New Zealand.

You cannot stand for both the Matamata-Piako District Council and the Waikato Regional Council.

Q13 I am a serving police officer. Can I stand for Council and continue to work as a police officer?

A Yes, there are no restrictions on police officers standing for local authority elections, apart from the normal eligibility criteria.

Q14 How much can I spend on my campaign?

A There is a limit on what you can spend on your campaign and it relates to the population of the area you are standing for.

The maximum amount that can be spent by a candidate cannot exceed the limits set out below:

| Local government area population | Expenditure limit |
|----------------------------------|-------------------|
| Up to 4,999 | \$3,500 |
| 5,000 – 9,999 | \$7,000 |
| 10,000 – 19,999 | \$14,000 |
| 20,000 – 39,999 | \$20,000 |
| 40,000 – 59,999 | \$30,000 |
| 60,000 – 79,999 | \$40,000 |
| 80,000 – 99,999 | \$50,000 |
| 100,000 – 149,999 | \$55,000 |
| 150,000 – 249,999 | \$60,000 |
| 250,000 – 999,999 | \$70,000 |
| 1,000,000 or more | \$100,000* |

** plus 50 cents for each elector*

For example, a candidate for the Morrinsville Ward (which has a population in the range of up to 10,000 - 19,999) can spend up to \$14,000 inclusive of GST.

If you stand for more than one position, the amount you can spend is the highest amount for **one** position. You cannot add positions together to allow you to spend more than the limit.

All candidates are required to lodge an electoral donations and expenses return within 55 days after the day on which the successful candidates are declared to be elected (early December 2019).

If a candidate is outside New Zealand on this day, the return must be filed within 76 days after election result day.

If a return is not submitted within the required time period, the non-return will be advised to the New Zealand Police for enforcement.

The return needs to be received before a candidate nomination deposit is refunded if applicable.

Voting

Q23 Is it a postal vote and will I be sent my voting documents in the mail?

A All local authority elections will be conducted by postal vote. Voting documents will be delivered by NZ Post between Friday 20 September 2019 and Wednesday 25 September 2019.

Q24 I got my voting document but my partner didn't receive theirs.

A Is it before Wednesday 25 September 2019 and I believe I am correctly registered on electoral roll? → **Yes**

Please wait until the mail has been delivered on Wednesday 25 September 2019. If your voting document is not received then please call the electoral officer on 0800 922 822.

Is it after Wednesday 25 September 2019 and I believe I am correctly registered on electoral roll? → **Yes**

|--|---|
| | <p>You will need to apply for a special vote. Please call the electoral officer on 0800 922 822. For special vote availability, see Q37.</p> <p>Is it after Wednesday 25 September 2019 and I believe I am not correctly registered on electoral roll? → No</p> <p>You will need to complete a Parliamentary Electoral Roll enrolment form. These are available at any New Zealand Post agency, or you can enrol online at www.elections.org.nz or ring 0800 36 76 56 or send your name and address to Freetext 3676.</p> <p>You will also need to contact the electoral officer for a special vote on 0800 922 822.</p> |
| <p>Q25 <i>I didn't get my voting document so I called and got a special vote. Now I have two voting documents. Which one should I use?</i></p> | <p>A Use the original one and destroy the special vote.</p> |
| <p>Q26 <i>I received a voting document for a member of my family (e.g. child, parent) and have Power of Attorney for that person. Can I vote for that person?</i></p> | <p>A No – Power of Attorney does not apply to voting for that person.</p> |
| <p>Q27 <i>I received a voting document for a member of my family (e.g. child, parent) who does not live here. What should I do with the voting document?</i></p> | <p>A If they are overseas, you could airmail them to the person or destroy them if that is not practicable.</p> <p>If they are for an elderly parent who is incapable of voting please destroy them by ripping/cutting them up. You cannot vote on their behalf unless instructed by them.</p> |
| <p>Q28 <i>I received a voting document that does not belong to me and I don't know this person or where this person has gone.</i></p> | <p>A Write GNA (Gone No Address) on the envelope and put it back in the mail.</p> |
| <p>Q29 <i>What is that barcode that I can see through the return envelope or on the front of the voting document?</i></p> | <p>A It is a legal requirement to scan the barcode to mark the electoral roll that you have returned your vote so we can ensure that we do not receive two votes from the same person.</p> |
| <p>Q30 <i>How do you ensure the secrecy of my vote?</i></p> | <p>A Returned envelopes containing a voting document cannot be opened until there is a JP present. The JP is required to sign off that the processes used by the electoral officer met the legal requirements.</p> <p>Note that the voter's name is not shown on the voting document.</p> <p>When the envelope is opened the only thing the electoral office is looking for is that the vote for each election is valid.</p> |

This means that for FPP elections we are making sure that the voter's intention is clear and the voter has not ticked or marked more than the number of candidates than there are vacancies.

For STV elections we make sure that no preference numbers are used more than once or omitted, (e.g., 1, 2, 3, 3, 4, 5), and that there is always a number 1 marked against a candidate's name. It should be like this: 1, 2, 3, 4, 5, 6, etc., in numerical order up to as many preferences as the voter wishes to vote for.

Q31 Do I have to vote? I don't know any of these candidates.

A No you don't have to vote, but we do encourage you to vote and exercise your democratic right.

You don't have to vote for all candidates or for all elections. But your vote is important because the people elected will be responsible for making decisions about what happens in your community for the next three years.

To help you get to know about the candidates:

- there may be community meetings being held if you wish to go and hear what policies the different candidates are advocating for;
- there is a candidate profile booklet that comes with the voting document in which there is a photo and a statement from each candidate. This information will also be available on the Council's website (www.mpdc.govt.nz) after nominations close (expected 21 August 2019);
- candidates may have their own website page, social media page(s), advertise in local newspapers or send out information to letterboxes in your area;
- local newspapers are likely to cover information about the election.

Q32 Do I have to post my voting document back?

A You can post it but make sure you have it in the mail by Tuesday 8 October 2019 to make sure it gets back to us in time (by 12 noon Saturday 12 October 2019).

However, you can also hand deliver your voting document to a ballot box during the voting period (Friday 20 September 2019 to 12 noon Saturday 12 October 2019).

For ballot box locations see Q37.

Q33 I have lost my return envelope.

A You can use an envelope of your own and put the return address and Freepost number on it. (You will not need to put a stamp on the envelope if you write the Freepost number on the envelope).

Freepost number 4170

| | You can decide not to vote for one or more of the different elections on your voting document. This does not invalidate votes for other elections on your voting document. |
| <i>Q40 Why can't I vote for a certain candidate who is standing for a different ward or other issue?</i> | A You can only vote for the elections relevant to the area in which you live. You cannot vote for a candidate who is standing in another ward because you are not an elector of that other ward. |

| <i>Q43 Do all the staff working on the election know who I voted for?</i> | A No, your vote remains secret under the required separate roll scrutiny and vote counting procedures. |
| <i>Q44 Can I help someone fill out their voting document?</i> | A Under the Local Electoral Act 2001, you cannot interfere or influence any person as to how they can vote. If authorised by a voter who is physically impaired, visually impaired or for whom English is a second language, a person can assist them to vote as directed by the voter. |
| <i>Q45 What happens to all the voting documents after the elections?</i> | A They are delivered to the Morrinsville District Court and kept for 21 days so that the Court can access them should there be any application for a recount or petition for inquiry. After 21 days, the Court is responsible for destroying them. |
| <i>Q46 Do I get a vote for the district health board?</i> | A Yes, if you are a resident elector. Ratepayer electors cannot vote for the district health board election. |
| <i>Q47 What is STV and how do I vote in an STV election?</i> | A STV stands for single transferable voting. STV is a preferential system of voting where you can rank as few or as many candidates as you like. It is a <u>single</u> vote which can be transferred between candidates to ensure the vote contributes to the election of at least one candidate and is not wasted. If a popular candidate does not need all the |

votes he or she receives, a proportion is transferred to the voter's next preference. On the other hand, if a candidate is not popular and receives few votes, those votes are transferred to a voter's next preference.

For more information about STV, go to www.stv.govt.nz. To exercise a STV vote, start by writing the number 1 in the box next to the candidate you **most** want to be elected. Write the number 2 next to your **second most** preferred candidate and so on 3, 4, 5 etc.

You can write as many preferences or as few as you like up to however many candidates are standing for that election.

You must write the number 1 for your vote to be counted. Do not write the same number more than once, e.g., 1, 2, 3, 3, 4, 5, and do not miss a number from your preferences, e.g., 1, 2, 4, 5, 6.

STV is used only for the Waikato District Health Board election.

Q48 What about FPP?

A This is the first past the post voting system. The candidate or candidates that gets the most votes wins.

You should mark those you want to vote for with a tick in the circle. Do not vote for more than the number of candidates shown in the instructions.

Election Results

Q49 When will we know the results of the election?

A Progress results will be announced as soon as practicable after 12 noon on Saturday 12 October 2019 (expected around 2pm).

Preliminary results will be announced early on Sunday morning 13 October 2019 once all votes received at Council offices (up until 12 noon on election day) have been delivered to the electoral officer in Auckland and processed.

The official results will be announced when special votes have been checked with the Electoral Commission, expected to be Thursday 17 October 2019.

Q50 How will I find out?

Candidates

A Will be advised as soon as practicable after the progress results and preliminary results are known. This will be by email.

Voters

-
- A** Progress and preliminary results will be released to the media and placed on Council’s website (www.mpd.govt.nz) as soon as practicable after noon on Saturday 12 October 2019.
-

Q51 *What do I need to do if I want to challenge the results of the election?*

Under legislation a candidate can challenge the declaration of results through either a judicial recount or a judicial inquiry. A candidate will have to provide reasons for the challenge and a deposit of \$750 with the application to the Morrinsville District Court.

A candidate may first wish to call the electoral officer on 0800 922 822 to discuss this.

Members

Q52 *When do elected members take up their roles?*

- A** Elected members take up office the day after the official result has been declared by public notice. However, members cannot act until they have sworn the oath of office which is usually at the first meeting of the Council. This first meeting is usually held as soon as practicable after the final election results are known.

District health board members take up office 58 days after election day (Monday 9 December 2019).

Q53 *Who are elected members responsible to?*

- A** Ultimately the elected members responsibility is to the local community. The Minister of Local Government and the Auditor-General do have a role in ensuring that Council follows the law.

All district health board members are accountable to the Minister of Health.

Q54 *Do elected members get paid and if so how much?*

- A** This is set by the Remuneration Authority immediately following the 2019 elections. Some expenses are also reimbursed.

District health board members are paid on the basis of the Cabinet Fees framework.

Q55 *Would being an elected member take up much time?*

- A** Being an elected member is a busy job that often involves meetings, events and speaking with community members outside of normal business hours. Flexibility and the ability to prioritise and manage time effectively are essential. This includes balancing a high volume of reading, paperwork and emails with a schedule of meetings and public commitments. As a consequence, the mayor is a fulltime job and councillors are generally part time.

Complaints

Q56 I have a complaint about electoral signage.

A Council's election signs bylaw is located on the Matamata-Piako District Council's website:
<https://www.mpdc.govt.nz/component/content/district-plan/district-plan-part-b/292-35-signage-all-zones?Itemid=647>

The signage policy states:

Candidates may put up electoral signs in the Matamata-Piako District Council area provided that they meet the following requirements:

1. Signs do not exceed 3m² in area.
2. All signs must be located on private property with the consent of the property owner. Signs are not permitted in a public place, on public buildings or any road reserve.
3. Form and letter height must be consistent with the specifications set out in clauses 3, 5, 6, 7 and 8 of the Electoral (Advertisements of a Specified Kind) Regulations 2005.
4. Signs cannot be erected any earlier than two months before polling day and must be removed by 12 midnight the day preceding polling day.
5. Signs cannot obstruct a drivers vision, cause confusion or distraction to drivers or create a situation hazardous to the safe movement or direction of traffic.
6. Where there is an impact on the State Highway network, consent of the New Zealand Transport Agency is required.

Due to traffic safety considerations, any signs which do not meet the above requirements will be removed by Council/Transit New Zealand staff without prior notice.

The signs don't have the required authorisation on them.

A You will need to call the electoral officer on 0800 922 822.

The signs have been pulled over or damaged.

A You will need to call the Council's bylaws compliance officer on 07 xxxxxxxx.
