

Application for Temporary Authority

(Section 136, Sale and Supply of Alcohol Act 2012)

General information:

A temporary authority is a temporary licence allowing the holder to operate off the existing base licence for three months while they apply and are issued with a new (on or off) licence.

The application must be filed a minimum of 15 working days before possession or the commencement of selling alcohol.

Please be sure all the questions are answered in full and all the appropriate documentation is included. Incomplete applications will be delayed and maybe even returned.

At least two managers holding manager's certificates must be employed on the premises before a temporary authority can be issued.

Should that new licence not be issued in the three month period (for good reason) then a further temporary authority may be considered provided the substantive licence application has at least been filed with the DLC.
