These events are considered to be consistent with the Sale and Supply of Alcohol Act 2012, however these events are not considered consistent with Council's Local Alcohol Policy. Section 6.4 Discretionary Conditions c) the maximum number of events in any six-month period. Generally, no premises should have more than 15 events under a special licence in any six-month period.

This application has 18 events. I have agreed to accept the application.

The application was referred to the Police, Medical Officer of Health and Inspector for comment. No matters in opposition have been raised in respect of the application. Accordingly the application is determined on the papers.

In deciding whether to issue a special licence a committee must have regard to the matters set out in s.142 of the Act. These are:

- a) *the object of this Act:*
- b) *the nature of the particular event for which the licence is sought*
- c) *the suitability of the applicant:*
- d) *any relevant local alcohol policy:*
- e) *whether the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:*
- f) *the days on which and the hours during which the applicant proposes to sell alcohol:*
- g) *the design and layout of the premises concerned:*
- h) *whether the applicant has appropriate systems, staff and training to comply with the law:*
- i) *any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:*
- j) *any steps the applicant proposes to take to ensure that the requirements of this Act in relation to the sale and supply of alcohol to prohibited persons are observed:*
- k) *the applicant's proposals relating to the sale and supply of low alcoholic, and non-alcoholic drinks, the provision of food and information about alternative forms of transport from the premises:*
- l) *any matters dealt with in any report from the Police, the Medical Officer of Health, or an Inspector.*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol should be minimised.

The Inspector has noted that he considers the applicant, Matamata Dramatic Society, to be a suitable body to hold a special licence. He has also noted that in his opinion the sale and supply of alcohol at this event will not reduce the amenity and good order of the locality by more than a minor extent.

I am satisfied as to the matters to which I must have regard as set out in s.142 of the Act and I grant the applicant a special licence.

A certificated manager has been identified by the applicant to manage the sale and supply of alcohol at this event.

The licence will be subject to the following conditions.
