The advertised hours were from 8.00am until 2.00am the following day Monday to Sunday. Those hours do not comply with the Local Alcohol Policy. This was discussed with the applicant and the agreed hours will be Monday to Sunday 8.00am until 1.00am the following day. These hours are less than those advertised

This application was lodged on 20 May 2019 and was advertised in accordance with s.101 of the Act, in the Scene on 28 May and 4 June 2019. No public objections were received.

The application was referred to the Police, Medical Officer of Health and Inspector for comment as required by s.103. None of the reporting agencies have raised any matters in opposition to the application. The certificates required by s.100(d) and (f) have been received.

The criteria that must be considered in determining an on-licence are set out in s.105 of the Sale and Supply of Alcohol Act 2012. These are:

- (a) *the object of this Act:*
- (b) *the suitability of the applicant:*
- (c) *any relevant local alcohol policy:*

A handwritten signature in black ink, appearing to be "JW".

- 
- (e) *the design and layout of any proposed premises:*
 - (f) *whether the applicant is engaged in, or proposes on the premises to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods:*
 - (g) *whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:*
 - (h) *whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, to more than a minor extent, by the effects of the issue of the licence:*
 - (i) *whether (in its opinion) the amenity and good order of the locality are already so badly affected by the effects of the issue of existing licences that—*
 - (i) *they would be unlikely to be reduced further (or would be likely to be reduced further to only a minor extent) by the effects of the issue of the licence; but*
 - (ii) *it is nevertheless desirable not to issue any further licences:*
 - (j) *whether the applicant has appropriate systems, staff, and training to comply with the law:*
 - (k) *any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under section 103*

The object of the Act is that the sale, supply and consumption of alcohol should be undertaken safely and responsibly and the harm caused by the excessive or inappropriate consumption of alcohol should be minimised.

The Licensing Inspector reporting on the application has stated in his report that in his opinion the applicant has the necessary experience and is suitable to operate a licensed premises.
